Q7. Read the following passage carefully and answer the questions that follow-

Man is made by many qualities, both good and bad, and among the latter is anger. The nature of every human being is such that anything that gives offence to his sentiments or goes against his principles, excites the anger, the evils, which result from anger, are many. Under its influence a man loses his power of reasoning and judgement. Not being able to control himself when angry, he does not know what he is doing pr saying. Under its influence a man is so much put off his balance that he forgets his duty towards his superior and may go to the extent of saying things which are extremely insulting to them. When anger gets the better of man, he is capable of committing the worst rimes, and there is nothing to be surprised at if under its evil influence he commits murder.

- Questions-
- i) What excites the anger of a man? (1.5)
 - ii) What happens to man's two important mental abilities when he is angry? (1.5)
 - iii) Why does an angry man forget his duty towards his superior and start insulting them? (1.5)
 - iv) What can be the worst that a man can do when anger gets full control over him? (1.5)
 - v) Explained the underlined words. (1)
 - vi) Give a suitable title to the above passage. (1)

TIPS
